

Overwhelmed with moving?

Save time, money, and stress with

Complimentary Home Concierge

Utility connections to ensure your home is move-in ready

The best **internet, TV, and phone services** at your new home

Smart home security and automation to protect your new investment and maximize homeowner's insurance discounts

Homeowner's insurance quotes that could save you hundreds of dollars

Securing competitive **bids for moving services** to ensure your relocation is easy and affordable

Surge protection for appliances and your home's most critical electronic devices

How does it work?

1. **SELECT Complimentary Home Concierge** on your Home Protection Plan registration form.
2. **VISIT homewarrantyinc.com/concierge to schedule a consultation* with your Home Consultant**, who will assist you in establishing services at your new home.
3. **REVIEW the providers and plans available** for your new address with your Home Consultant.
4. **CHOOSE the companies to work with and the date of service connection**—your Home Consultant will take it from there!
