

More Power to You

Protect what matters during storm season and beyond with SurgeShield® Surge protection

Getting protected is easy!

Simply indicate your preferred level of protection on your Home Protection Plan registration form.

Weather the storms for as little as \$0.23/day

SurgeShield®

SurgeShield protects your home's most critical mechanical systems and motor-driven appliances, including:

- Heating units
- Central air conditioners
- Heat pumps
- Hot water heaters
- Washers and dryers
- Ovens/ranges
- Microwaves
- Refrigerators
- Freezers
- Dishwashers
- Ceiling fans
- And more!

\$84 for 14 months

SurgeShield® Plus

SurgeShield Plus covers all SurgeShield items PLUS your valuable electronic devices, including:

- Televisions
- Gaming systems
- Video surveillance systems
- Alarm monitoring systems
- Tablets and netbooks
- Desktop and laptop computers
- Monitors
- Printers
- Home theater sound systems
- Projectors
- And more!

\$144 for 14 months

Land line and mobile phones are not included.

Coverage limit of \$5,000 per incident with aggregate limit of \$10,000.

Electronics surge protection is optional, but it is only available as part of the SurgeShield Plus bundle plan. It cannot be purchased as standalone coverage.

You may transfer service to a new residence upon request if the new address is located within our service territory.

Please visit homewarrantyinc.com to review the actual terms and conditions for coverage, limitations, and exclusions.

Satisfaction guaranteed with "Anytime Cancellation"

Just notify us in writing if you need to cancel
